Subject:- State Domains - Tul Karem D/TUL/61
Reference:- Your D/Tul/61 of 18th, Dec., 1924.

Apparently the details in land form No.7 relating to D/Tul/61 have been compiled from Ex-Governor of Ex-Samaria District letter No.S/310/5/25 of 27.10.22 addressed to Director of Lands (Copy attached) in reply to the latter's letter No.B/Sam/1 of 23.10.22 in which case this particular D/Tul/61 is no other than D/Tul/7 which is already registered.

In a schedule forwarded by this office to Governor Samaria under letter No.18/Mis/3/6 of 5.10.22 the location of D/Tul/61 i.e. D/Tul/7 reads as follows:- N.E. Tul Karem 200 yards from Government House.

No.25 was the number given to the Hospital Building by the Housing Committee Samaria.

Mr. Higgins please see with D/Tul/17 that Sir, I agree that D/Tul/61 & 7 are the same property, but as a principle, I suggest that if they be cancelled & not 7. The necessary particulars will be inserted in the latter.

The property recorded under D/Tul/61 is the same one registered under No. D/Tul/7 & whereas there are more particulars under the D/Tul/61, therefore it is suggested to cancel D/Tul/7.

Subject : State Domains - Tlkarem -D/Tul/61.

Reference: Your T/200/2 dated 12.12.24.

It seems that the particulars of registration on the original Land Form No.7, should be correct i.e. No.6 dated 1318. This should, however, be verified by you and you should forward a certified extract of the correct registration for inclusion in my file.

I do not understand your reference to the Land Registry No.8 dated 1813 but presume "1813" should be read "1318".

The Registrar of Lands should be able to assist you in this matter.

On checking the No., Date, Remarks and other particulars on Form No. 7, we found, ^{that} nothing actually ~~does~~ agree with the Register.

No 8 B. Huzorian 1318 refers to altogether different persons, and it has no relation with the Government, it is not a hospital and its laundries does not at the same time agree to those on F. F.
